Sometimes it's the  
little everyday things  
in life that can become  
the biggest problem.

# Benefits of learning

## By returning to education you will:

- Be more confident in yourself
- Find it easier to do everyday things like maths and spelling
- Have more opportunities to learn new skills
- Adapt better to new technology
- Be able to get a formal qualification if you want
- Get your current skills recognised (for example, if you are good at one subject you can do an assessment online and get a qualification for what you know)

### Did you know?

There are over 50,000 adults improving their reading, writing and maths skills in local ETB Adult Education Centres around the country. So why not give yourself the best chance and start learning today.

---

# There are lots of options

You can:

- Study online by yourself on [www.writeon.ie](http://www.writeon.ie)
- Work with a tutor over the phone on our Distance Learning Service
- Learn in your local ETB Adult Education Centre

Or you can do a combination of these to suit your lifestyle.

Everything is free

You decide what, where and when you want to learn.

"I wanted to help my kids with their homework but maths was holding me back. NALA's Distance Learning Service allowed me to learn at home in my own time and now I find it easier to help my children when they come home from school. I can't believe how much I've learned in such a short time. It's given me the confidence to learn even more and now I'm thinking of working towards a national qualification."
