The sign in sheet is to be signed in the service by the parent for the weeks that they use the service. If the parent is not using the service through illness, child's illness, holidays, they should not sign-in for that week. If the parent does not use the service for two consecutive weeks then a PIP Leaver form must be completed or the service should contact the Local CCC to get authorisation to keep the registration active. If a leaver form is completed and the parent returns a new registration form must be submitted.

*The sign in sheet must be kept on site by the service for compliance purposes. Weeks should not be signed in advance and in doing so a service will be found to be major-non compliant.
